

Save Time And Money! Shipping Services Available

Cenaiko Expo Inc. is proud to offer you a helpful and economical service. *Cenaiko Expo* has teamed up with Koch Logistics to provide shipping for your booth materials from show to show.

Our goal is to save you time and money because we understand how hard it is to come by both! All you need to do is to pack your booth onto a standard size pallet(s). We will then shrink-wrap and pick-up your material from your booth, store it **and deliver to your booth at your next show.** Example: St. Paul Sportsmen's Show to St. Cloud Sportsmen's (or a non-Cenaiko Production). This will eliminate the need for you to drive your truck, pull a trailer and wait in line to load/unload your display.

Cenaiko Expo and Koch Logistics offers this service for one flat rate per pallet per show! The price will vary from show to show based on distance.

If you are interested in this service please **call 763-755-8111 for a price quote.**

For scheduling and dispatch contact Koch Logistics at 800-331-9412, option 1 (domestic services) and then option 2 (for LTL services) during normal business hours. 24 advance notice for scheduling is appreciated.
